Request for Electrical Meter Connection

Date: _____ Permit#: _____

Project Address: _____

By signing this form, I am requesting that electrical power be temporarily connected, and I understand that no one may furnish, move into, occupy or open my building for business until all the following work has been completed.

1. All inspections have been scheduled and passed.
2. A certificate of occupancy has been issued.
3. An occupational license has been obtained.

Even though Florida Power and Light has been given a release and the electrical meter has been connected, failure to obtain the Certificate of Occupancy and Occupational License prior to opening will result in your electrical meter being removed.
