Royal Palm Beach, Florida 33411

Dear Mayor-Lamstein: *Sam*

I would like to take this opportunity to extend my sincere congratulations to the residents, the staff and the Village Council on the occasion of your 25th Birthday. During the past years you have been witness to tremendous growth from rather humble beginnings. Many people have moved into the Village of Royal Palm Beach because of the leadership and vision provided by the past and present Village Councils and staff. They have found the quality of life, that their families could enjoy, safe in the knowledge that their tax dollars were providing excellent services and responsive and competent government.

You, the Council, and the staff should take a well-deserved bow for your fine efforts. It could not have been accomplished without the enthusiasm and dedication of the many volunteers who unselfishly dedicated their time and talents towards making Royal Palm Beach a great place to live.

I know that 25 years from now, on the occasion of your 50th birthday, another celebration will be held. Many present at that time will not remember nor be aware of the hard work that layed the cornerstone and those who made it possible. However, you can rest comfortable, secure in the knowledge that their dreams, just as yours, became reality because all of you made it happen.
